

Community Feedback from the Community Comprehensive Planning Meeting

The following are some of the items submitted for consideration. Please continue to send comments via email, phone call or stop by and visit and drop off your comments.

- Support multiple forms of transportation choices- sidewalks, bike paths, electric carts, scooters, and vehicles.
- Mixed used development
- Maintain character of historic Abita residential & commercial areas
 - i.e Lee Lane, Girod St, Boston St, Columbia St
- More pocket parks, parks required in new subdivisions, 1 pocket park for every 20 homes in new developments
- Variety of active park spaces: kids, walking trails, public gardens, dog parks
- Clean litter free community
- Prohibition of formula stores
- Revision of commercial zoning ordinances to amend the list of allowable uses
- Pave Brookforest Rd
- Increase Revenue
- Completed plans to be used to secure federal and state funding
- Bike lanes: what kind? Where?
- Parking- install more, upgrade current, better signage, cleaner
- Tree ordinance- review and revise to differentiate between large lots and smaller town lots. Tree removal and replanting requirements. Tree bank?
- Sight triangles reviewed and enforced
- Crosswalks- maintain current ones and add new ones
- Building size requirements in all districts reviewed
- Flood Management ordinance review
- Connectivity between town roads and the outskirts of town
- River crossings
- Town utility extensions to unserved areas
- Shoulders and bike paths on state highways

- Transportation plan with road markings for pedestrians and bike and possibly golf carts
- Golf cart ordinance for town roads
- Mixed Use
- Walking trails
- Active greenspace
- Litter reduction
- Traffic enforcement- bikes
- Maintain Uniqueness
- Maintain properties: health & sanitation and blighted properties
- Wet properties, fill restrictions
- Restrictions on types & numbers of businesses
- Roads
- Annexation plan
- Traffic
- East West Corridors
- Commercial maintaining properties
- KAB Ordinance request
- Post town meetings on town sign
- School traffic
- Safety/crime
- Walkability
