

DRAFT

Proposed new language is shown bold and underlined. Language proposed for deletion is shown struck-thru.

Proposed amendments to page 49 of the PDF and page 45 of the Abita Springs Design Review Guidelines

14.0 SITE FEATURES

14.4 Privacy fences and hedges may be appropriate. For privacy in backyards, wood fences may be installed up to 7' in height or 6' with a 2 foot ~~with a framed lattice~~ **top fence created with: lattice, pickets, or horizontal boards on a vertical privacy fence. (See options below.)** Wood supports measuring 4" by 4" or metal pipes are recommended. Privacy fences must be set back from the main façade by at least one-third of the total depth of the house. Maintain the fence with regular painting. Living fences, such as hedges or other landscaping, are attractive alternatives to chain-link or privacy fences.
