

The image shows the exterior of a small, white, single-story building with a yellow-painted roofline. The roofline features two signs: "ABITA SPRINGS NUTRITION" on the left and "REBUILD" on the right. The building has a small window with a red frame and a white air conditioning unit mounted on the wall. A satellite dish is visible on the roof. In front of the building is a concrete patio area with several tables and chairs, some of which are covered by a yellow awning. Potted plants are placed around the patio. A white car is parked in the foreground on the right, and a dark car is parked on the left. The background shows trees and a cloudy sky.
